Reminder to Remove Old LEA Manual Sections

New Local Educational Agency (LEA) policy and procedure manual sections were released to providers before their effective date of July 1, 2006. For a time, both old and new LEA policy sections were included in the provider manual. Because the new policies are now in effect, providers may remove the following old LEA sections and page from their manuals:

- *Local Educational Agency (LEA)* with the locator key “loc edu”
- *Local Educational Agency (LEA) Billing Codes* with the locator key “loc edu cd”
- *Local Educational Agency (LEA) Billing Examples* with the locator key “loc edu ex”
- *LEA Reminder Notice*, a sheet instructing providers to wait until July 1, 2006 to bill with the new policies and codes

Reminders

- Beginning July 1, 2006, for dates of service on or after July 1, 2006, LEA claims must be submitted with national procedure codes and modifiers, due to HIPAA requirements.
- As of July 1, 2006, LEAs may submit claims with either the current codes or the new national procedure codes/modifiers for dates of service on July 1, 2005 through June 30, 2006. Claim submission (under either the current or new billing codes) is subject to timeliness requirements.
- Beginning July 1, 2006, modifier -YX was discontinued. New modifiers -TL and -TM identify whether a service is rendered as part of an Individualized Education Plan (IEP) or Individualized Family Services Plan (IFSP). National practitioner modifiers identify who performed a service. Intensity-of-service modifiers identify whether a service is an amended or annual re-assessment, or whether the service is an additional 15-minute service increment.

2006 CPT-4/HCPSC Updates: Implementation November 1, 2006

The 2006 updates to the *Current Procedural Terminology – 4th Edition* (CPT-4) and Healthcare Common Procedure Coding System (HCPSC) National Level II codes will be effective for Medi-Cal for dates of service on or after November 1, 2006. The affected codes are listed below. Only those codes representing current or future Medi-Cal benefits are included. Please refer to the 2006 CPT-4 and HCPSC Level II code books for complete descriptions of these codes. Specific policy, billing information and manual replacement pages reflecting these changes will be released in a future *Medi-Cal Update*.
